SynJ DECT 6.0 Accessory Repeater

The AT&T SynJ® SB67128 DECT 6.0 Repeater extends the range of cordless extensions—up to a half a mile*. The SynJ 4-line corded base set supports up to six repeaters, without any need for a wired connection. Just plug the repeaters into an AC outlet and get ready to roam. Active calls are handed off from base to repeater to repeater while you take care of business. All repeaters work with the AT&T TL7600 Cordless Headset for hands-free mobility.

SB67128 Accessory Repeater Features

DECT 6.0 Zero Blind Slot Digital Technology	1- to 4-Line Capability
Connect up to 6 Repeaters to 1 Corded Base Unit (SB67118 sold separately)	Link 2 or More Repeaters Together
English/Spanish Setup Menus (US)	Hand off Calls Between Repeaters
English/French Setup Menus (CAN)	

*Open range test was performed by Wyle Laboratories, an independent commercial test facility. 'Up to half a mile' repeater range refers to the maximum open field range. Actual range may vary depending on intervening obstacles.
